

SCHOOL CONTRIBUTIONS AND CHARGES FOR 2020

WOODLANDS PRIMARY SCHOOL CHARGES FOR 2020

Under the provisions of the Education Act 1999, it is a requirement of schools and School Boards to indicate to parents all likely educational expenditures for the coming year. School contributions and charges are comprised of three elements: Voluntary Contributions, School Charges and Items for Personal Use.

VOLUNTARY CONTRIBUTIONS

The Woodlands Primary School VOLUNTARY CONTRIBUTIONS (which under the Education Act may be as high as \$60 per student) is \$60.00 per child. The Kindergarten to Year 6 funds are used to support English, Mathematics, Digital Technology and The Arts.

SCHOOL CHARGES are the accumulated cost of your child participating in activities and events as they arise. **This is not an up front payment**, rather an indication to you of the **maximum** possible amount you may anticipate being charged for activities on a pay as you use basis. Below is a schedule of Charges for each year level.

Please note that the figures listed are an estimation of **the maximum** possible cost based largely on amounts paid by parents and receipted by the school over the last few years.

Payment is only required as activities/events are confirmed throughout 2020, although a bulk payment will be offered as an option.

The information as set out is separate from the P&C Association "Donation to P&C Funds."

*Please note fundraising organised by the Year 5 & 6 body may significantly reduce these maximum costs for the camp and Graduation Dinner.
