

SCHOOL CONTRIBUTIONS AND CHARGES FOR 2018

WOODLANDS PRIMARY SCHOOL CHARGES FOR 2018

Under the provisions of the Education Act 1999, it is a requirement of schools and School Boards to indicate to parents all likely educational expenditures for the coming year. School contributions and charges are comprised of three elements: Voluntary Contributions; School Charges; and Items for Personal Use.

VOLUNTARY CONTRIBUTIONS

The Woodlands Primary School VOLUNTARY CONTRIBUTIONS (which under the Education Act may be as high as \$60 per student) is \$60.00 per child. The Kindergarten to Year 6 funds are used to support English, Mathematics, Digital Technology and The Arts

SCHOOL CHARGES are the accumulated cost of your child participating in activities and events as they arise. **This is not an up front payment**, rather an indication to you of the **maximum** possible amount you may anticipate being charged for activities on a pay as you use basis. Below is a schedule of Charges for year levels

The figures listed are an estimation of **the maximum** possible cost based largely on amounts paid by parents and receipted by the school over the last few years.
