1 SCHOOL HISTORY

1.1 Brief School History

The suburb of Woodlands was first developed in the late 1950's and early 1960's.

Opened in February 1964, the school started with an enrolment of 53 students under the leadership of Head Mistress Dorothy Rushton. During this time parents and teachers fought a successful battle to retain as many trees as possible, and their wisdom and foresight, has provided the present school with a delightfully picturesque and shady environment.

From the original two room structure of 1964, which is currently Room 1 and 2, the school has expanded. In 1975, when a peak enrolment of 609 students was reached, there were 14 classrooms and 3 transportable classrooms in use.

In 1976 Pre Primary classes commenced in an "off-site" location in Tamarisk Way and in 1993 they were located back to the school site. In 2006 Kindergarten classes commenced.

In 2008 the school library building was opened. In 2010 a purpose-built art room and 3 classrooms were constructed under the Commonwealth Government's 'Building the Education Revolution' financial stimulus project.

Woodlands Primary School became an Independent Public School in 2011 resulting in the school rebranding to reflect its new direction in 2012. The school motto was changed from 'Endeavour' to 'A world of opportunity through the power of learning, with the values of Humanity, Belonging, Possibilities and Respect being adopted. The logo and school song was changed to reflect this new direction.

In 2014 Woodlands celebrated its 50th Year and as a part of the celebrations the school's community orchard was designed, planted and opened in November.

In 2015 the 'all school community mosaic', reflecting our school values, was constructed by all 470 students, staff and many parents.

1.2 A Sustainable School

Woodlands Primary School is a sustainable school with memberships to:

- Waste wise
- Water wise

7.5 Positive Behaviour Support (PBS)

Woodlands PS is a Positive Behaviour Support (PBS) school. PBS is a whole school framework which helps to create positive learning environment and is based on the following beliefs:

1. Relationships are the foundation of social and academic achievement.
2. Student achievement is maximised when staff develop positive classroom cultures where caring teacher-student relationships and student – student relationships:
 - Promote and exemplify positive student behaviour and interactions
 - Make students feel that they are both cared for and supported to succeed.
3. One size does not fit all. Positive behaviour is learnt and consideration needs to be given to the individual needs of students. Just like every class has students on individualised learning plans because they require additional support and guidance in curriculum areas, some students benefit from individualised behaviour plans developed by parents, school staff and the school psychologist.

More information outlining this framework can be found on the school's website.

7.6 Good Standing Policy

At Woodlands Primary School, the *Good Standing Policy* supports our values of Respect, Belonging, Humanity and Possibilities by acknowledging and rewarding exemplary behaviour, positive work ethic and dress-code adherence. We believe learning is enhanced in a welcoming, inclusive, collaborative and caring environment.

Good Standing is a status all Woodlands Primary School students are granted at the start of the year. It is the responsibility of each student to maintain their *Good Standing*. Students with *Good Standing* will have the opportunity and privilege to participate in various events throughout the school year. Examples of these events include, interschool sporting events; extra-curricular clubs including coder dojo and running club; discos; and Year 6 Graduation activities.

More information on our Good Standing Policy can be found on the school's website.

7.7 Arrival at School

- Parents are asked that students **do not arrive at school prior to 8.30am** on school days unless supervised by parents or attending supervised coaching on school grounds. Supervision cannot be guaranteed prior to this time.
- At 8.30am students are to go straight to classrooms to prepare for the school day. This means they need to hang their bag on a hook, go into class and get ready.

- After students are ready for class, they may choose to play on the basketball and netball courts ONLY.
- A bell will sound at 8.47am and students should begin to head back to class so that the school day can start promptly at 8.50am when the siren sounds. From 8.47am no students will be permitted to play ball games etc.

Students who arrive late to school are to come to the Front Office first to ensure they are marked as late and not as absent.

7.8 Attendance

If a child is going to be late or absent, please advise us via the Compass App with a brief explanation or alternatively we are happy for you to call into the front office, ring us on 9416 9800 or send an email to Woodlands.ps@education.wa.edu.au. Frequent unexplained absences will lead to enquiries by our Regional Education Office.

Explanatory notes from parents are requested for:

- daily absences from school
- permission to leave the school grounds
- exclusion from sport and physical education activities for medical reasons.

Students are expected to attend school unless they are ill, attending a course or have a reasonable reason for not attending. Research indicates that student attendance needs to be at least 90% in order to make appropriate progress. Less than 90% affects student learning.

All students, once enrolled are subject to compulsory attendance. Every effort should be made to have family holidays during the school vacation periods.

7.9 Collecting Students during School Hours

8 SCHOOL UNIFORM

8.1 Policy

The policy of this school is to strongly encourage the wearing of the school uniform for students in Kindy to Year 6. Kindergarten students may wear general clothing if parents prefer.

It is felt that students wearing the school uniform:

- adds to a student's feeling of "belonging".
- contributes to a student's pride in the school.
- is sound economics.
- minimises competition with clothing.

Faction T-shirts and sport shorts may be worn on sports and Phys Ed days. The interschool shirt is worn only for interschool events (swimming, cross country, netball and athletics).

When representing the school on an excursion, Pre-primary to Year 6 students are expected to wear the official school uniform – a light green polo shirt, school skort or shorts, school dress, windcheater and hat.

Where the school uniform policy could present financial hardship to a family, on request, the school will arrange the loan of all or part of the required uniform. Purchase of pre-used uniforms can also be made at the uniform shop which is run by the P&C.

Woodlands Primary School has a well-established tradition of students being well presented in their school uniform. This includes students maintaining clean, neat and natural hair colour.

It is a common understanding in Department of Education primary schools, that for occupational health and safety reasons students, both boys and girls:

- should not have hair impeding their vision at any time; and
- shoulder length hair needs to be tied back in a neat fashion.

8.5 Jewellery

Jewellery should not be worn except for ear studs and inexpensive watches. Students become very distressed when they lose or break jewellery. In some cases, jewellery can also be a cause of injury.

Students are advised to wear hats based on the recommendations of the Bureau of Meteorology, which are regularly revised by the school. A 'no hat no play' policy applies at recess and lunchtimes during these periods. Students without an acceptable hat will be required to remain under the covered areas of the school.

Office staff will inform the parent of the nature of the illness, the student will also be allowed to speak to their parent by phone so the parent can ascertain the best course of action.

9.2 Medication

Short Term Use of Medication (up to two weeks)

For administration of **short-term** medication such as a course of antibiotics, our school requires written authority from parents/carers. This authority can be provided by completing an **Administration of Medication form**. These forms can be obtained from the office.

Note:

- The medication must be clearly labelled with the child's name and provided in packaging from the pharmacy or the manufacturer.
- Documentation must be signed and dated by a parent or carer and provided to the school with the medication.

Long Term Use of Medication

If you require the school to administer medication to your child for a period of more than two weeks, and if you have not already done so, you may need to complete a *Student Health Care Summary* and a *Management/Emergency Response Plan* for your child's particular health need. In most instances, this documentation will have been completed when you enrolled your child or as part of the school's process for updating student health care records. If this is not the case, please discuss with the office. **It is vital to the student's health and well-being that parents advise the school of any health issues as soon as possible.**

9.3 Anaphylaxis/Asthma/Allergies

Parents of students who suffer from any medical condition will need to complete an action plan in the Admin Office. Medication will be kept and stored in a secure location until the end of the school year. All medical conditions must be discussed with the class teacher.

9.4 First Aid

First aid for minor injuries will be administered by staff.

For more serious injuries the Principal or Deputy Principal will be consulted. Where there is any doubt as to the severity of the injury parents will be notified.

In an emergency, immediate medical attention will be sought and parents notified as soon as possible.
