DIETARY REQUIRMENTS

All items on Locavora's school lunch menu are nut free, although it is important to note that we operate in a kitchen that may contain nuts for our retain sector, therefore cannot guarantee there will be no "traces of nuts".

The same applies to our "Low Gluten" and "Low Dairy" items. These ingredients are utilised in our kitchens, therefore we cannot guarantee there will be no traces of gluten or dairy in the lunches. For this reason we have classified items as Low Gluten and Low Dairy.

All protein we marinate and grill in store have been tested and come back as gluten free. We do not operate in a gluten free kitchen, however we follow strict measures to prevent any cross contamination where possible.
